Ticket Barriers Glasgow Central

Ticket Barriers Glasgow Central

### TICKET BARRIERS STATION IMPROVEMENTS

As part of a First Scotrail initiative to eliminate fraud by passenger's not purchasing tickets, a contract to install ticket barriers at high turnover station was let.

CPMS Ltd. were awarded the contract for the civil and cabling works at the following locations.

- Glasgow Central High Level.
- Glasgow Central Low Level.
- Anderston Station.
- Charing X Station.

Ticket gates were installed by Cubic Ltd.

Works were completed on time and in budget with no issues.
