MID-PLATFORM FENCING EAST MIDLANDS

As part of the Network Rail National Suicide Prevention Programme, CPMS were awarded the contract to install mid-platform fencing at five locations to prevent access to the fast lines. The locations were :-

- Radlett
- Elstree & Borehamwood
- Mill Hill Broadway
- Hendon
- Cricklewood

The project comprised of the following elements:-

- Form 1 design.
- Liaise with main stakeholder First Capital Connect.
- Supply and install approx. 1Km of bow top powder coated fencing.
- Supply and install 35No access gates.
- Platform end fencing/gates and pedestrian deterrent paving
- Platform lining
- Signage
- Electrical bonding
- All work completed on time and budget
