Staircase Refurbishment

Commercial Property Maintenance Services Ltd

## STAIRCASE REFURBISHMENT

CPMS were awarded the contract to refurbish the concrete staircase that links Victoria Street with the station frontage/taxi rank.

The project comprised of the following elements:-

- Form 1 design intent.
- Form 2 Design and check.
- Temporary works.
- Removal of existing balustrade.
- Concrete repairs.
- Surface protection.
- DDA Compliance.
- New balustrade and double handrail.
- New stair treads & nosings.
- New lighting.
- Painting.
- Completed on time and budget.
