

**Guild St Aberdeen  
Network Rail  
Refurbishment of Grade B listed  
Building.**

Commercial Property Maintenance Services Ltd

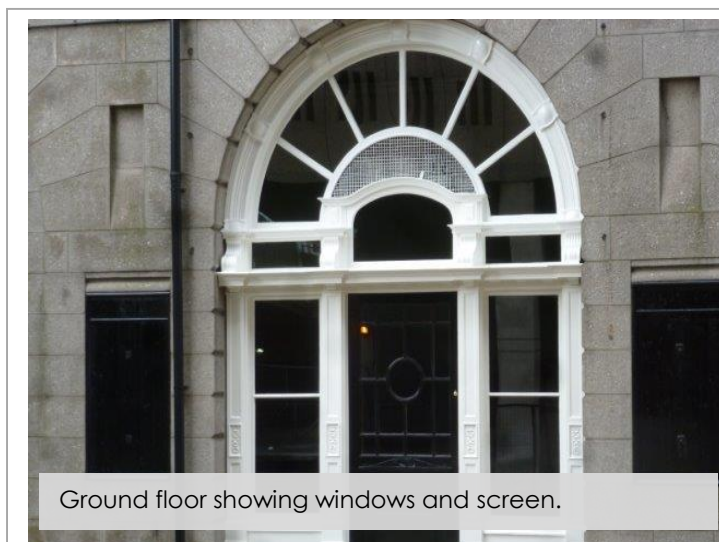

**TIMBER AND  
GLAZING REPAIRS**

As part of the Retail Improvement Programme, CPMS were awarded the contract by Network Rail to carry out a refurbishment on a Grade B listed Building in Aberdeen City Centre. The project comprised of the following elements:-

- Refurbish existing front screen and windows.
- Carefully remove and dispose broken glass, putty and temporary boarding.
- Sand down fill and wash existing timber ready for painting.
- Reglaze front screen, door and windows.
- Prime and paint timber to Client specification.
- All work done in time and to budget.

The Old Waiting Room Front Screen and Box Case windows were in need of full refurbishment.
